FREEDOM - multifunctional complex with a high level of service and exclusive infrastructure on the Mikhailovskaya embankment. The complex's own infrastructure allows for a simple life and work by just taking the elevator. In the complex, there are: - bars and restaurants; - shopping center in Scandinavian style; - fitness center; - SPA complex with a swimming pool; - APARTMENT spaces; - business center; - 4-level underground parking. On the territory of the complex, there is video surveillance, concierge service, and also service of apartments and offices: cleaning, food delivery to the room. There is an opportunity to buy real estate in FREEDOM on installment, mortgage or mortgage from 3%. More details from the sales department managers.
